All news

After watching the 2015 Oscar-winning movie *The Big Short*, which chronicled the collapse of the housing bubble in 2008, Danielle Hatem was changed. She recalls noticing that the movie left her friends feeling perplexed and overwhelmed by the financial jargon. The incident inspired her to start an initiative to educate people.

A black rectangular sign is mounted on a light-colored building facade. The sign features the brand name 'Kataleya' in a large, white, serif font. Below the brand name, the text 'Since 2011' is written in a smaller, white, sans-serif font. The building's facade is composed of light-colored panels, and a dark, slatted architectural element is visible on the left side. The background shows a clear blue sky with scattered white clouds.
